

PRIVACY STATEMENT

Version control: last updated version 22 November 2017

1. Introduction

As Wizzle we are aware of the importance of the protection of your personal data. Personal data is all information relating to an identified or identifiable natural person. We consider the protection of your personal data as our responsibility. By means of this privacy statement we will inform you about which personal data we collect and process when you use our website and our services and what the purpose is of the collection and processing of your personal data. This privacy statement is applicable to the collection and processing of personal data when you use our website and services.

Wizzle considers the protections of the privacy of the users of his website and services as his responsibility and therefore ensures the confidentiality of the personal data provided by the users.

2. Identity

Your personal data is collected and processed by Wizzle

Website:	www.wizzle.io
Registered office:	Nieuwerkerk aan den IJssel
Street:	Korstmos 38
Zip code:	2914 XB
Email:	info@wizzle.io

3. Which personal information do we use and process?

Your personal information is processed in order to make use of the website of wizzle and in order to provide you the services of Wizzle. The following personal data may be used and processed by Wizzle:

- IP Address
- Email
- Full name
- Date of Birth
- Mobile number
- Country of residence
- Bank account number

Your personal data is only kept for as long as this justified for the purposes outlined in section 4 of this privacy statement or for as long as it is needed to comply with applicable legislation and regulations. Your personal data will be stored for a minimum period of five (5) years.

4. The purpose of the collection and processing of your personal data

Facilitate and process transactions

The purpose of the collection and processing of your personal data is to facilitate and process your transactions in cryptocurrencies and fiat currencies. The personal data that may be used for the facilitation and processing of transactions are listed in section 3 of this statement. In addition your personal data is used to verify your transactions. The use of your personal data to verify your transaction is considered to be part of the purpose to facilitate and process your transactions. When you use the services of Wizzle you agree with the terms and conditions for the use of the services of Wizzle. In this terms and conditions is determined that you may provide Wizzle with personal data in order to make use of the services of Wizzle. The processing of your personal data is therefore necessary for the performance of the services of Wizzle.

Audits & compliance

Another purpose of the collection and processing of your personal data is to perform audits with regards to money laundering and terrorism financing. If a transaction is or if transactions are considered as suspicious further investigation may be necessary. To perform such audits your personal data may be used. Wizzle aims to comply with the applicable laws and regulations such as Know Your Customer (KYC) and Anti-Money Laundering (AML) legislation. In this case the legal ground for processing your personal data is that processing of your personal data is necessary to comply with a legal obligation in relation to Know your Customer (KYC) and Anti-Money Laundering (AML) that rests upon Wizzle.

Incidental newsletter

Another purpose of the collection and processing of your personal information may be related to the occasional sending of a newsletter. Your personal data may be used to send you a newsletter. You will be explicitly asked for consent regarding to the sending of this newsletter. You will also have the possibility to unsubscribe from the newsletter. This possibility is presented at the bottom of every newsletter email. The legal ground for processing your personal data in this case is that you have given consent to process your personal data. You can withdraw your consent at any time.

5. Your rights regarding to your personal data

According to privacy legislation you have several rights regarding to your personal data. You have the right to access your personal data, the right to request rectification or erasure of your personal data, the right to object to the processing of your personal data and in some cases the right of restriction of the processing of your personal data. Furthermore you will have to right to data portability and the right to lodge a complaint with a supervisory authority. The right to data

portability implies, in short, that you have the right to receive your personal data that you provided to Wizzle and you have the right to transmit this data. If you wish to exercise these rights please contact us at info@wizzle.io.

6. The provision of your personal data

The provision of your personal data is required to make use of the services of Wizzle. In the terms and conditions of the services of Wizzle is determined that you may provide Wizzle with personal data in order to effectively use the services of Wizzle. If you do not provide your personal data you are not able to make use of the services of Wizzle. You are not obliged to provide your personal data to Wizzle. As already stated, the consequence of not providing your personal data to Wizzle is that you cannot effectively use the services of Wizzle.

7. Disclosure of personal information to third parties

Your personal information will not be disclosed or made available to third parties unless required for compliance with a legal obligation or required by a court order, a subpoena or similar investigative demand, a request for cooperation from any law enforcement or other governmental body.

8. Security measures

Wizzle has taken appropriate technical and organisational measures to ensure an adequate protection of your personal information and to protect your personal data against loss or any form of unlawful data processing such as data degradation, unauthorized access, modification or disclosure. Wizzle is fully aware of the importance of the protection of personal data. Therefore Wizzle has taken several security measures to safeguard your personal data.

9. Questions and feedback

If you have any questions, concerns or feedback with regards to our privacy statement please contact us at info@wizzle.io.

10. Changes to our privacy statement

We reserve the right to change this privacy statement regularly without notice. It is therefore advisable to consult this privacy statement regularly. If the privacy statement is changed the updated version of the privacy statement will be posted on the website.
